If access rights are not held by Customer, Customer

(c) Upon request, and to the extent necessary to provide the Services, Customer shall issue a Letter of Authorization (“LOA”), Right of Entry (“ROE”), or similar agreement appointing SageNet as its limited agent for the purpose of ordering, adding, maintaining, making changes to, and disconnecting the Services. Customer’s failure to return Customer un-owned Equipment or Third Party Equipment to the properly designated party may result in additional fees, including the replacement cost of such Equipment or Third Party Equipment. In the event the Pilot is successful, the Parties shall use best efforts to enter into a SOW. The findings and outcome of a Customer Pilot may result in changes to the applicable SOW which shall be properly captured in a subsequent writing or amendment to said SOW.

2.3 Record of Ownership; Resale Restrictions. Unless resale is authorized in advance by SageNet, or Customer is bundling the Services with its own services, Customer is prohibited from reselling the Services. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THESE TERMS AND CONDITIONS, CUSTOMER IS SAGENET’S CUSTOMER OF RECORD AND CUSTOMER IS SOLELY RESPONSIBLE FOR THE COLLECTION OF ANY AND ALL PAYMENTS DUE FROM CUSTOMER’S END USERS. CUSTOMER’S INABILITY OR FAILURE TO COLLECT ANY PAYMENTS, FEES, TAXES OR CHARGES DUE FROM ITS END USERS SHALL NOT IN ANY WAY IMPAIR ITS PAYMENT OBLIGATIONS TO SAGENET.

2.4 Labels. Customer may not remove or conceal any identifying plates, tags, trademarks, or labels affixed to any Equipment provided by SageNet (or its suppliers) to Customer, without SageNet’s prior written consent. Customer shall not allow any Equipment provided by SageNet (or its suppliers) to contain or display any non-SageNet (or SageNet supplier) logos, brands, or symbols on any visible area of the Equipment, without SageNet’s prior written consent. Additionally, Customer acknowledges and agrees that SageNet may utilize generative artificial intelligence (“GenAI”) tools or systems to analyze, synthesize, and derive insights from de-identified or aggregated technical and operational data. The purpose of such use includes, but is not limited to: enhancing product features, automating support functions, optimizing performance, and identifying trends or anomalies to improve service reliability and customer experience. SageNet’s use of GenAI will be conducted within defined operational and ethical boundaries, maintaining its confidentiality obligations pursuant to Article 8 below.

ARTICLE 3 – BILLING; PAYMENT

3.1 Billing and Payment Obligation. SageNet issues invoices for MRC pro-rata to Customer one (1) full calendar month in advance of the invoiced month’s Services. For all undisputed invoices, Customer must pay all MRC without deduction or setoff within thirty (30) days of the invoice date (“**Payment Period**”). (For example, the invoice for Services for the month of April would be dated March 1 and payment in full would be due by March 31). Unless otherwise agreed to in writing all NRC, including NRC for Equipment, Software, installation and construction, must be prepaid in full prior to delivery, installation, or construction. Charges for professional services shall be invoiced on a time and materials basis with payment due, without deduction or setoff, within thirty (30) days of the invoice date. All invoices shall be provided to Customer electronically or via SageNet’s online portal. Paper copies of invoices may be provided to Customer for an additional charge; provided, however, Customer’s failure to receive a paper invoice shall in no way impair Customer’s payment obligations otherwise due under these Terms and Conditions, or any SOW or Order. Unless expressly otherwise permitted by SageNet, all payments must be made by ACH. Customer agrees to pay any costs incurred by SageNet in connection with SageNet’s acceptance of any other form of payment, including, but not limited to, credit card, wire transfer, or check processing fees, and such costs are in addition to any pricing provided on any SOW or Order. All monetary values referred to or included in these Terms and Conditions or any SOW or Order are in

U.S. Dollars and all payments thereunder shall be in U.S. Dollars. SageNet's failure to enforce any requirement in this *Article 3.1* shall not be deemed a waiver thereof or prevent SageNet from enforcing any requirement herein without further notice to Customer.

3.2 Late Payments. Except with respect to amounts disputed in good-faith by Customer, interest compounded monthly at the lesser of 1.5% per month, or the maximum rate allowed under applicable law, may be charged by SageNet on Customer past due balances from the date payment was due. If a disputed amount is later found to be a legitimate charge, the amount not paid within the applicable Payment Period shall be subject to the aforementioned monthly late fee. Customer shall be required to reimburse SageNet for reasonable costs of collection, including attorneys' fees and court costs. Late payment charges imposed by SageNet are in addition to, and not in lieu of, any remedies SageNet may have at law or under these Terms and Conditions for Customer's failure to make timely payment. SageNet's decision not to immediately assess late fees against any past due amounts shall not be considered a waiver of SageNet's right to assess such late fees beginning from the date payment was due.

3.3 Bill Disputes. To dispute an invoice, Customer must notify SageNet promptly in writing and include billing information, circuit number(s) if applicable, any opened trouble ticket number(s), and the basis of the dispute. No charge may be disputed more than sixty (60) days after the date of the invoice on which such charge appears. Customer payment of a charge timely disputed and in the manner set forth herein shall not deprive Customer of its right to dispute the charge.

3.4 Consequences of Non-Payment. If Customer does not make payment of invoiced charges in accordance with these Terms and Conditions, SageNet may, at its option, without further notice, (a) suspend Services furnished under any Agreement until Customer has paid all past due amounts; (b) offset unpaid balances with amounts SageNet may owe Customer under any agreement between the Parties; or (c) terminate the relevant Order and/or these Terms and Conditions and seek any remedies available to it. Additionally, SageNet, at its own discretion, may require a guarantee of payment if Customer is unable to meet credit requirements or otherwise files for bankruptcy protection.

3.5 Out of Scope Charges. Customer agrees that SageNet, or any third party contracted to provide any portion of the Services, may, without the prior approval of Customer, perform OOS activities that SageNet, or such third party, reasonably determines are necessary, as long as the OOS charges for such activities are less than or equal to \$500.00. If the OOS charges would exceed \$500.00 (for a given location), Customer prior approval is necessary. Customer agrees to pay for OOS activities provided pursuant to this *Section* and invoiced in accordance with *Article 3.1* without further notice. OOS charges shall be treated as NRC for billing purposes.

3.6 Cellular Overage Charges. Unless explicitly provided otherwise in writing, any cellular overage rates applicable to the Services are the sole responsibility of Customer. Such overage charges may result from Customer's use of cellular as a primary

connection or the excessive usage of cellular data above the applicable allocated plan.

3.7 Fraudulent Charges. **CUSTOMER IS SOLELY RESPONSIBLE FOR ANY CHARGES IN CONNECTION WITH FRAUDULENT OR UNAUTHORIZED USAGE OF THE SERVICES, INCLUDING ANY AND ALL CHARGES IN CONNECTION WITH VOICE OR DATA SERVICES.**

3.8 Third Party Financing. Customer may purchase or lease Equipment from SageNet directly or through a SageNet approved third party financing company. Notwithstanding the terms of any agreement between Customer and any such SageNet approved third party financing company, Customer shall remain jointly and severally liable for all of Customer's obligations, including all payment obligations, under these Terms and Conditions, SOWs and all Orders. In the event a third party financing company utilized by Customer fails to pay any amounts owed to SageNet in connection with the Services, upon demand, Customer shall promptly and directly pay SageNet any amounts owed. Customer acknowledges that leased Equipment MRC is non-cancelable for the duration of the applicable term of Service under an SOW or Order.

ARTICLE 4 – TAXES; REGULATORY AND ADDITIONAL CHARGES

4.1 Payment and Other Obligations. Unless explicitly provided otherwise in writing, all prices quoted by SageNet, whether orally or in writing, are exclusive of Taxes and Regulatory Charges, and Customer is responsible for any such Taxes or Regulatory Charges in connection with the Services, Software, or Equipment provided pursuant to these Terms and Conditions. In the event that Customer is required by applicable law to make deductions or withholdings from payments to SageNet, then Customer shall pay such additional amounts to SageNet as may be necessary to assure that the actual amount received by SageNet after deduction or withholding (and after payment of any additional Taxes or Regulatory Charges due as a consequence of such additional amount) shall equal the amount that would have been received if such deduction or withholding were not required.

4.2 Exemption Certificate. If Customer is exempt from any Taxes or Regulatory Charges, it must provide SageNet with a certificate demonstrating its eligibility for exemption within ten (10) business days of the Effective Date and annually thereafter.

4.3 Additional Charges. Customer will promptly pay to SageNet any other charges, surcharges, and/or Taxes billed to SageNet by a third party or remitted by SageNet to a third party that are associated with Customer's Services, Software, or Equipment, including but not limited to any retroactive or OOS charges, as described in any applicable Order that are not already reflected in the rates charged by SageNet for the Services, Software, or Equipment provided pursuant to these Terms and Conditions. Unless explicitly provided otherwise in writing, all prices quoted by SageNet, whether orally or in writing, are exclusive of shipping and freight related charges, and Customer shall be responsible for all such charges associated with the Services, Software and Equipment. Pricing for

any professional services provided to Customer does not include reasonable travel and expense costs, which shall be invoiced and paid by Customer.

4.4 Recovery Fees. SageNet may charge a monthly regulatory recovery fee in connection with the Services to offset costs incurred by SageNet with inquiries and obligations imposed by federal, state, municipal and/or other regulatory bodies and government agencies. This fee is not a tax or charge required or assessed by any government authority. SageNet may increase or decrease the regulatory recovery fee without notice.

4.5 End User Location. Customer agrees to provide SageNet with accurate End User information, including location information, so as to enable SageNet to accurately remit any Taxes or Regulatory Charges imposed on the Services. Customer further agrees that it will protect, defend, indemnify and hold harmless SageNet, its subsidiaries, affiliates, officers, directors and employees from any and all costs resulting from Customer's failure to provide SageNet with accurate End User information.

ARTICLE 5 – TERM; TERMINATION; TERMINATION FEES

5.1 Term; Renewal. These Terms and Conditions shall remain in effect for so long as Customer is utilizing SageNet Services. The initial term of any Service is set forth in the applicable Order (the “**Initial Term**”). The Services automatically renew for successive renewal terms of one (1) year (each a “**Renewal Term**”), subject to annual price increase, unless either Party provides the other with written notice of its intent not to renew the Agreement at least sixty (60) days prior to the end of the then current Term. If Customer provides a notice of cancellation and continues to use a Service beyond the expiration date of the Term, the rates and charges applicable to Customer will be automatically converted to a month-to-month pricing plan at then applicable pricing. The Initial Term and Renewal Term are together the “**Term**.”

5.2 Termination.

(a) Either Party may terminate these Terms and Conditions (and all Orders), with immediate effect, if the other Party breaches a material term or condition of these Terms and Conditions and fails to cure such breach within thirty (30) days following receipt of written notice from the non-breaching Party.

(b) SageNet may terminate these Terms and Conditions (and all SOWs and Service Orders) with immediate effect if Customer fails to comply with the payment terms of these Terms and Conditions or the documented policies, laws and/or regulations applicable to the Services, Software, or Equipment.

(c) SageNet may immediately terminate these Terms and Conditions in the event that the Customer (a) becomes insolvent or unable to pay its debts as they mature; (b) makes an assignment for the benefit of its creditors; (c) seeks relief, or if proceedings are commenced against Customer or on its behalf, under any bankruptcy, insolvency or debtors' relief law and such proceedings have not been vacated or set aside within seven (7) days from the date of commencement thereof.

5.3 Effect of Early Termination for Customer's Breach. In the event Customer downgrades or disconnects an existing Service, Customer acknowledges that such action may take up to ninety (90) days to be accepted and processed by the applicable provider and that Customer will remain liable for charges incurred over such period. If Customer discontinues or downgrades any part of the Services without cause prior to the expiration of a Term of Service, or SageNet terminates these Terms and Conditions or any Order pursuant to Article 5.2, Customer will be liable for early termination fees (“**ETFs**”) equal to: (i) all accrued but unpaid charges incurred, or credits received, including any waived or absorbed Special Construction charges, associated with the Services; (ii) one hundred percent (100%) of the MRC for the Services multiplied by the number of months remaining in the Term of Service; (iii) one hundred percent (100%) of any remaining lease obligations in connection with leased Equipment; (iv) one hundred percent (100%) of any remaining minimum commitments for professional services; and (v) any additional penalties or early termination charges not covered by the charges above (e.g. in relation to colocation fees) imposed by a third-party service provider on SageNet as a result of Customer's early termination or breach. **CUSTOMER AGREES THAT THE ETF IS BASED ON AN AGREED REVENUE EXPECTATION, SAGENET'S COSTS OF PROVIDING THE SERVICES, AND PRICING DISCOUNTS THAT WOULD NOT HAVE BEEN PROVIDED TO CUSTOMER BUT FOR CUSTOMER'S AGREEMENT TO PURCHASE SERVICES FOR THE MINIMUM TERM AND IN THE MINIMUM QUANTITIES SPECIFIED IN THE APPLICABLE SOW(S), AND IS NOT A PENALTY.**

ARTICLE 6 - INSURANCE

Each Party will obtain, at its own expense, insurance coverage necessary for the Services rendered herein, so as to cover the risks associated with the respective business activities of the Parties. Customer will provide reasonable insurance for all SageNet-owned Equipment located on Customer's premises and shall protect all SageNet-owned Equipment against risk of loss or damage due to any cause other than normal wear and tear, and shall name SageNet as a loss-payee to the extent of its losses. Proof of such insurance by a carrier acceptable to SageNet shall be made available to SageNet by Customer upon request by SageNet. Customer shall notify SageNet of any material change in such insurance coverage or insurance carrier.

SageNet will maintain, throughout the Term of these Terms and Conditions, the following insurance coverage with a licensed insurance company rated A- or better by A.M. Best: (a) Worker's Compensation Insurance to comply with the state laws in which the work is performed; (b) Commercial General Liability in an amount not less than \$1,000,000 per occurrence / \$2,000,000 general aggregate; and (c) Automobile Liability, including Non-Owned and Hired Auto Liability, in an amount not less than \$1,000,000 Combined Single Limit, whenever Services are furnished exclusively by SageNet on its or a third party's premises.

ARTICLE 7 – REPRESENTATIONS; WARRANTIES &

EQUIPMENT

7.1 The Parties. Each Party represents and warrants it is duly organized, validly existing, and in good standing under the laws of the place of its origin, and possesses all the authority necessary to enter into and perform its obligations.

7.2 PCI Compliance. To the extent SageNet has access to, or stores, processes, or transmits Customer cardholder information (e.g., credit or debit card information) through a SageNet datacenter facility, SageNet acknowledges its responsibility to secure the transmission of such information and agrees to comply with applicable Payment Card Industry (“PCI”) Data Security Standard (“DSS”) requirements for managed service providers, as audited in an annual PCI Report on Compliance. A copy of SageNet’s Attestation of Compliance (“AOC”) shall be provided to Customer upon request. SageNet’s AOC is based on the version of PCI DSS applicable at the time of SageNet’s last audit. If applicable, the specific controls for which SageNet is responsible shall be defined in a responsibility matrix (the “PCI Matrix”) and provided to the Customer upon request. The PCI Matrix may be revised by SageNet annually, and a copy of the revised PCI Matrix shall be provided to Customer upon request.

7.3 Third Party Services. SageNet shall not be liable for third party service providers’ performance. SageNet shall, however, make reasonable efforts to ensure that Customer is afforded the protections of any warranties that such third-party service providers provide to their customers in the ordinary course of business. Notwithstanding the foregoing, SageNet shall have no obligation to purchase any warranties from third party service providers.

7.4 Equipment Warranty.

(a) Customer shall be the beneficiary of any warranty provided by the manufacturer of the Equipment, subject to the terms and conditions of such warranty. The manufacturer warranty (if applicable) is Customer’s only remedy in the event of a warranty claim.

(b) The foregoing warranty does not extend to Equipment which is altered, improperly installed by a third party, or which fails or is damaged after delivery due to accident, act of God, shipping or handling; or storage, operation, or maintenance in a manner or environment which does not conform to the manufacturer’s instructions or specifications.

(c) In the event of a valid warranty claim, SageNet will, at its sole option: (a) repair the returned Equipment, (b) replace the nonconforming Equipment, or (c) if SageNet determines that neither of the foregoing is commercially reasonable upon return of the Equipment to SageNet, refund a portion of the NRC paid by Customer to SageNet with respect to the nonconforming Equipment depreciated on a straight-line basis over three (3) years from the date of original shipment to Customer.

(d) All repairs covered by warranty will be performed at no charge to Customer. Any repairs requested after expiration of the warranty period shall be performed at Customer’s expense.

(e) Replaced Equipment may be new, re-certified, or

refurbished, and will carry the remainder of any original warranty to the extent permitted by the manufacturer of the Equipment.

(f) All Equipment returned to SageNet must have a SageNet-issued Returned Materials Authorization (“RMA”) number prominently displayed on the packaging and must be returned as directed by SageNet. The process to obtain an RMA number is available from your SageNet Program Manager. Equipment returned without an RMA number may be refused by SageNet and returned to Customer at Customer’s expense.

7.5 Software Updates and Licensed Service Term.

(a) Security best practices and PCI regulatory compliance requires each of Customer and SageNet to maintain current, updated firmware and/or Operating Systems (“OS”) of equipment managed by SageNet. SageNet policies require that SageNet-approved and manufacturer- supported versions of firmware and/or OS be implemented at all times. The foregoing includes security and Common Vulnerabilities and Exposures (CVE) upgrades, patches or refreshes. Maintenance activities may periodically be required by SageNet, and result in short duration service interruptions which may require reboot. Customer’s failure to fully cooperate with SageNet to perform necessary updates or grant SageNet the required access to update the firmware or OS may result in disruption, exposure, degradation of Services, and a monthly surcharge per location. If network, Software or Equipment firmware and/or OS version is running outside the SageNet supported standard, Customer must may be required to acknowledge via a waiver that they are running unsupported software, or implement a replacement solution. SageNet shall not be heldis not liable for direct or consequential damages, associated with or resulting from any security event, exploitation, breach, loss or performance degradation resulting from running unsupported versions of firmware and/or OS, known CVEs or unsecure instances on maintained devices.

(b) SageNet leverages its relationships with various third parties to offer Customer the latest Equipment and corresponding Software platforms for its benefit. As a result, not all licensing terms, conditions and coverage periods are consistent across these various third party providers. For additional details, Customer should refer to the applicable third-party provided materials governing provision of such Licensed Service. Customer acknowledges that the term of any Software license or other licensed product or service associated with any Equipment (“Licensed Service”) provided by SageNet: (i) may not be coterminous with a Term of Service, (ii) may not automatically renew upon expiration of the applicable license term, and (iii) that failure to renew may result in inoperability of Equipment or disruption of Service. To the greatest extent permitted by law, SageNet shall not be liable under any theory of liability in connection with any failure to renew a Licensed Service. SageNet will, for bulk renewals only (i.e., 50+ licenses), use commercially reasonable efforts to provide Customer with renewal options and pricing at least ninety (90) days’ prior to expiration of the Licensed Services. If SageNet has not received direction or response from Customer with at least (30) days remaining on the applicable Licensed Service term, SageNet will renew applicable Licensed Services for twelve (12)

month periods at then-current rates and bill Customer accordingly.

7.6 Equipment Spares. Customer is encouraged to purchase a sufficient quantity of SageNet Equipment and Third Party Equipment that is necessary to support the Services. Customer's failure to purchase adequate spare parts or spare Equipment may result in disruption or failure of Service. SageNet shall not be responsible for any disruptions in Service due to Customer's failure to secure adequate spares. Additionally, any Licensed Service required to operate said spare Equipment shall be the sole responsibility of Customer.

7.7 Equipment Life Cycle. Third Party Equipment provided by SageNet remains subject to End-of-Life or End-of-Service declarations made by the applicable Equipment manufacturer. SageNet will coordinate with Customer throughout this process to ensure continuity of Service, however Customer agrees that SageNet at its own discretion may, upon thirty (30) days' prior notice to Customer: (i) continue to support the discontinued Equipment, (ii) substitute the affected Third Party Equipment and supported hardware models at then-current pricing, (iii) amend any affected support Services offerings, or (iv) modify pricing for the affected Third Party Equipment. Any additional fees SageNet incurs for continuing support Services on any End-of-Life Third Party Equipment may be passed through to Customer.

7.8 Exclusions. **THE WARRANTIES SET FORTH IN ARTICLES 7.1-7.4 ARE IN LIEU OF ALL OTHER WARRANTIES, WRITTEN OR ORAL, STATUTORY, OR EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE, NON-INTERFERENCE, OR NON-INFRINGEMENT.** SageNet does not warrant that the Services, Software or Equipment will be uninterrupted or error-free, meet Customer's requirements, or prevent unauthorized access by third parties.

ARTICLE 8 - CONFIDENTIAL INFORMATION

Neither party shall disclose to any third party during the term of these Terms and Conditions and for two (2) years following the expiration or termination of these Terms and Conditions, any of the terms of these Terms and Conditions or any Order, including any rate information, unless such disclosure is required by any state or federal governmental agency, is otherwise required by law, or is necessary in any proceeding establishing or applying rights or obligations under these Terms and Conditions. Any information or documentation disclosed between the parties shall be subject to the terms and conditions of the non-disclosure agreement ("NDA") executed by both parties, which terms and conditions are incorporated by reference as if stated herein, and which shall apply for the term and for two (2) years as stated above. For purposes of clarification, under no circumstances during the Initial Term (and Renewal Terms, if any) of a Service shall either party utilize any information obtained in connection with these Terms and Conditions to contract directly with any vendors, contractors, or customers of the other party with respect to that specific Service or a replacement or substitute for that Service; provided, however, that nothing in these Terms and Conditions shall be construed to preclude either party from

purchasing, selling or utilizing any other telecommunications, information, or ancillary services from or to any other entity or from using information independently developed to purchase, sell, or utilize such services. Notwithstanding the requirements and obligations of this Section and the NDA: (i) Customer expressly consents to SageNet's sharing of information only with its affiliates and authorized agents for purposes of offering Customer additional products and services (subject to Customer being entitled to withdraw such consent at any time upon written notice); and (ii) Customer agrees that SageNet shall have the right to issue a press release and/or otherwise publicly disclose, including in marketing or investor materials, that it is providing services to Customer.

ARTICLE 9 – INDEMNIFICATION

9.1 SageNet's Indemnification of Customer: SageNet will defend and indemnify Customer, its employees, directors, officers, and agents, from and against any suit, proceeding, or other claim brought by an entity not a Party or an Affiliate that arises out of: (a) property damage or personal injury (including death) arising from the gross negligence or willful act or omission of SageNet in the course of providing Services; (b) any actual, alleged, or contributory patent, copyright, or trademark infringement, or violation of other intellectual or proprietary rights or licenses related to the manufacture, delivery, or sale of the Software, Equipment or Services provided under these Terms and Conditions. This Article 9.1(b) shall not apply if the alleged infringement or violation arises from (i) modification of the Software, Equipment, or Services by a party other than SageNet or its authorized agents or contractors; or (ii) use of a superseded or altered piece of Software or Equipment, if such infringement or violation would have been avoided by the use of updated Software or Equipment, and if such updated Software or Equipment had been made available to Customer prior to the claim of infringement having arisen (any of the foregoing circumstances under clauses (i) or (ii), a "Customer Indemnity Responsibility").

9.2 Customer's Indemnification of SageNet. Customer will defend and indemnify SageNet, its employees, directors, officers, and agents from and against any suit, proceeding, or other claim brought by an entity not a Party or an Affiliate that arises from: (a) property damage, or personal injury (including death) arising from the gross negligence, or willful act or omission of Customer in the course of purchasing or using the Software, Services, or Equipment; (b) any misuse or resale of Software, Services, or Equipment in violation of these Terms and Conditions by Customer or End Users; or (c) a Customer Indemnity Responsibility.

9.3 Procedure. If a claim is made against a Party, the Party in receipt of the claim ("Indemnified Party") will notify the other Party ("Indemnifying Party") in writing no later than sixty (60) days after learning of the claim. If the Indemnifying Party has properly assumed defense of the claim and proceeds to defend the claim in good faith, the Indemnified Party may not settle or compromise the claim without the Indemnifying Party's prior written consent, which shall not be unreasonably withheld; provided, however, if the Indemnifying Party's insurer has assumed the defense of the claim and proceeds to defend the claim in good faith, such insurer may settle the claim

or part of the claim over which the Indemnifying Party's insurer has assumed the defense without the Indemnifying Party's consent. The Indemnified Party will provide assistance, information, and authority reasonably necessary to assist the Indemnifying Party. Failure of the Indemnified Party to provide notification of a claim will not relieve the Indemnifying Party of its obligations under these Terms and Conditions except to the extent the delay prejudices the Indemnifying Party.

ARTICLE 10 - LIMITATION OF LIABILITY

10.1 No Liability for Indirect Damages. NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, INCIDENTAL, RELIANCE, OR PUNITIVE DAMAGES OF ANY KIND OR NATURE WHATSOEVER, INCLUDING, WITHOUT LIMITATION, LOST PROFITS, LOST REVENUES, LOST SAVINGS, LOSS OF GOODWILL, LOSS OF USE OF PROPERTY, LOSS OF DATA, OR COST OF SUBSTITUTE PERFORMANCE, REGARDLESS OF THE FORESEEABILITY OF SUCH DAMAGES OR WHETHER DAMAGES WERE CAUSED BY THE NEGLIGENCE OR WILLFUL MISCONDUCT OR OMISSION OF A PARTY ARISING FROM OR RELATED TO THESE TERMS AND CONDITIONS. Customer's out-of-pocket costs, including but not limited to attorneys' fees, for damages of the kinds specified in the preceding sentence are indirect damages.
